Honorable Robert S. McNamara
Secretary of Defense
Department of Defense
Washington, D. C.

Dear Mr. Secretary:

Authorization is hereby given staff members assigned to the Defense and Military Construction Subcommittees (Robert L. Michaels, Frank Sanders, S. Ralph Preston, and John Garrity) to travel in the continental United States during the period November 6, 1967-January 15, 1968 for the purpose of inspecting and examining Defense installations and activities.

Additional authority is hereby granted these staff members for such travel outside the continental United States as may be necessary in connection with review and examination of the status of the anti-ballistic missile program.

It will be appreciated if you will have someone assist in the arrangement for such travel, the expenses of which are to be charged to appropriations available for the examination of estimates in the field.

Sincerely,

Chairman
